

# My STEPS to learning

Print, cut the strip and place it at a visible place such as a mirror, cover of notebook or study area to remind your child of the steps they need to do to learn faster and grow their brain.

TO LEARN I NEED TO

## STEP 1

### Act curious

Curiosity helps me be more observant and to think about things and try to figure them out.

TO LEARN I NEED TO

## STEP 2

### Listen

I learn more when my listening ears are ON.

TO LEARN I NEED TO

## STEP 3

### Watch

By watching others I can learn what works and what doesn't work for them.

TO LEARN I NEED TO

## STEP 4

### Try

Once I've listened and watched others, I can try it myself.

TO LEARN I NEED TO

## STEP 5

### Ask questions

I can ask questions or ask for help. Asking questions helps me learn more.

TO LEARN I NEED TO

## STEP 6

### Think

Is this the best way to do this or is there a better way?
